

Minerals West Coast  
Annual Forum  
2010 July 14  
Reefton.

## Trade Displays and Sponsorship.

At this year's West Coast Minerals Forum on July 14 in Reefton we are making available the opportunity for Trade Displays. We have available three inside and three outside.

Nominally the inside Trade Displays need to have a footprint of nine square meters or less and work within a ceiling height of 2.7 m.

The outside space is available in the car park and courtyard areas and size is unlimited.

Last year the forum was attended by over eighty people representing the majority of the minerals companies operating on the West Coast.

We don't intend to charge members for the space however we would welcome sponsorship (either full or part) of any of the following

Morning Tea	\$400
Lunch	\$2000
Afternoon Tea	\$400
Social Hour	\$1000 (two hours)

Weather you decide to take up this opportunity or not I hope you are able to attend what looks to be a interesting and informative day.

For more information or to book a space please contact
